[MAD FACTORY]

Madhushan Indika de Silva, a graduate from the University of Moratuwa, Sri Lanka is a professional photographer who focuses on Architectural, Interior, Hotel and Resort Photography. With nearly 10 years of experience in the industry, Madhushan initiated his journey as a photographer at BT Options. Here he honed his skills in architectural and interior, hotel and resort, travel, nature, commercial and food photography contributing to publications such as Explore Sri Lanka, Serendib and Business Today. Furthermore, while working there he discovered his passion for Architectural and Interior Photography having had the opportunity to work on renowned publications such as The Architect and Domus Sri Lanka.

Having travelled to various countries extensively while living in Europe, Madhushan was inspired by the beautiful architecture he encountered and spent his time perfecting and studying the finer details of Architectural and Interior Photography before returning to Sri Lanka in 2017. Since then he has devoted his time to build MAD Factory and to provide an unparalleled service in terms of quality, precision and technicality to all his clients including award winning architects and architectural firms and hotels and resorts.

His work has been published in Domus Sri Lanka and The Architect, the Official Journal of the Sri Lanka Institute of Architects.

At MAD Factory, we put special emphasis on your needs and requirements to provide a service that is in line with your expectations.
